

QUANTUMQUARTZ

DESIGNER STONE

Designed for maximum beauty and a seamless flow, QUANTUM QUARTZ surfaces offer you design flexibility with over 40 inspirational designs to choose from. QUANTUM QUARTZ are the pioneers in bringing you the first collection of marble inspired quartz surfaces in Australia; the NATURAL QUARTZ RANGE.

New York Palazzo

Indulge in the PALAZZO collection. Sophisticated and cutting edge, the PALAZZO designs are crafted using the latest digital technology. The end result is a stone surface that is an authentic representation of the beauty of natural stone. Create your own dream kitchen with QUANTUM QUARTZ.

NOTE: Quantum Quartz is a natural based surface. It may contain variation in colour due to raw materials. Particles used in the products may sometimes produce minor irregularities such as blotches and coloured particles. The Natural Quartz range of colours combine a mix of unique veins with some natural variations. Vein structure may vary. It is recommended for the customer to view the whole slab. Due to the printing process colours may vary from those in this brochure and should be used as a guide only.

Dream big with Quantum Quartz

Bigger and better than ever, Quantum Quartz XL slabs are sleek and stylish; making them the perfect choice for kitchen benchtops, splashbacks, vanites and more.

The Ultimate In Stone Technology

Quantum Quartz contains up to 93% natural quartz, making it an extremely hard wearing, practical and highly versatile surface. After pioneering the Natural Quartz Range, Quantum Quartz introduces the next generation of authentic vein designs - PALAZZO

Slab Size

3210 x 1610 x 20 mm

Slab Identification

Every Quantum Quartz slab is stamped on the underside to certify authenticity.

10 Year Limited Warranty

Quantum Quartz surfaces are of the highest quality and offer a 10 Year Limited Warranty. Register your completed project online.

Edge Profiles

Quantum Quartz recommends a minimum radius of 3-4mm on edge detail for optimal performance. A mitred edge of 40mm or greater and a drop-in sink is recommended for the Palazzo designs as the digital print sits on the stone surface only. These are a few of the popular edge profiles:

Arris 20mm

Arris 40mm

Mitred Apron 40mm

Product Features

Non-porous

High Scratch & Chip Resistance

High Abrasion Resistance

High Flexural Strength

High Chemical Resistance

High Resistance to Staining
